Bake the fries

Preheat the oven to **240°C/220°C fan-forced**. Cut the **potato** into fries and place on a lined oven tray. Season with **salt** and drizzle with **olive oil**. Toss to coat, then bake until tender, **20-25 minutes**.

Make the patties

In a large bowl, combine the **beef mince**, **garlic & herb seasoning**, **egg** and **fine breadcrumbs**. Season with **salt** and **pepper** and shape the **beef mixture** into evenly sized patties slightly larger than a burger bun.

TIP: Make a shallow indent in the centre of each patty, this will help prevent it from puffing up as it cooks.

Caramelize the onion

While the fries are baking, thinly slice the **brown onion**. In a large frying pan, heat a drizzle of **olive oil** over a medium heat. Cook the **onion**, stirring, until softened, **5-6 minutes**. Add the **balsamic vinegar**, the **water** and **brown sugar** and mix well. Cook until dark and sticky, **3-5 minutes**. Transfer to a small bowl.

Cook the patties

Wipe the frying pan and return to a medium-high heat with a drizzle of **olive oil**. Cook the **beef patties** until just cooked through, **4-5 minutes** each side. In the last **1-2 minutes** of cook time, sprinkle the **shredded Cheddar cheese** over the **patties** and cover with a lid so the cheese melts. Place the **bake-at-home burger buns** on a wire rack in the oven until heated through, **3 minutes**.

Get prepped

While the onion is cooking, thinly slice the **tomato**. Lightly crush the **black peppercorns** (see ingredients) in a pestle and mortar or in their packet using a rolling pin. In a second small bowl, combine the crushed **peppercorns** and **garlic aioli**.

Serve up

Slice the burger buns in half. Spread each burger bun with a layer of peppercorn aioli. Top with a beef patty, tomato, caramelized onion and a helping of **rocket leaves**. Serve with the fries and any remaining peppercorn aioli.

Enjoy!
